Policy Changes Approved

Batch 147: Proposals 998 and 1005-1013

The nation's guarantors provide the following summaries to inform schools, lenders, and servicers of the latest *Common Manual* policy changes. These changes will appear in the manual's next annual update. These changes will also be incorporated into the *Integrated Common Manual*. The *Integrated Common Manual* is available on several guarantor websites, and it is also available on *Common Manual*'s website at www.commonmanual.org. Please carefully note the effective date of each policy change.

Variable Rate Conversion Provisions

The *Common Manual* has been revised in Section H.2 to state that lenders were not permitted, based on October 1994 guidance from the Department in DCL 94-L-171, to adjust special allowance billings on loans - subject to the variable-rate conversion provisions of the Higher Education Amendments of 1986 and of 1992 - for which the applicable interest rate was retroactively revised. However, lenders were permitted, as a result of guidance from the Department on March 1, 1998, in DCL 98-L-202, to recalculate special allowance billings on the subject loans for all or part of the period from July 23, 1992, to December 31, 1994.

In addition, Figure H-1 was revised by reversing the second and third columns, expanding the column title, and adding a new footnote to explain that the quarterly variable interest rates were determined by adding 3.25% for the "1986 loans" or 3.10% for the "1992 loans" to the average of the bond equivalent rate of the 91-day Treasury bill rate as auctioned for the preceding 3-month period.

For loans subject to conversion under the Higher Education Amendments of 1992 in Figure H-1, the annual variable interest rate for the period from July 1, 2006, through June 30, 2007, was corrected from 7.949% to 7.94% and a reference to footnote #2 was inserted because the interest rate is higher than 7.00%. For all loans subject to conversion under the Higher Education Amendments of 1986 and 1992, the annual variable interest rates for the period from July 1, 2007, through June 30, 2008, were added.
